

# DAVIS & SHIRTLIFF

*know **H<sub>2</sub>O**w through experience*

The **Davis & Shirliff Group** is the **leading supplier of water and energy related equipment** in the East African region. Established over 70 years ago and still owned by one of the founding families, business activities are focused on seven product segments - **Water Pumps, Boreholes, Swimming Pools, Water Treatment, Generators, Solar Equipment, and Irrigation**. The Group is Kenya based and operates through a network of Kenyan branches as well as regional subsidiaries in **Uganda, Tanzania, Zambia, Rwanda, South Sudan, DRC and Zimbabwe** and also an associate company in **Ethiopia**.

Davis & Shirliff regionally distributes **high quality equipment** sourced from a number of industry leading companies from around the world as well as carrying out distribution, manufacture and assembly of various water related products under its own **Dayliff brand**. With a total complement of **over 800 highly trained and professional staff**, particular emphasis has been placed on infrastructure investment and the company is **extremely well resourced** with modern office facilities, a fully integrated ICT network and large product and spare parts stocks. The Nairobi headquarters cover an area of 10,000m<sup>2</sup> with engineering, manufacturing, training and administrative facilities and a new 10,000m<sup>2</sup> Distribution Centre has been constructed that holds expanded stockholding and from where products are efficiently distributed by the Company's own fleet of trucks. D&S Kenya, Zambia and Uganda are also **ISO certified** to demonstrate the quality focus.

Recognising that the provision of efficient water and energy supplies are essential for the region's economic development, Davis & Shirliff is committed to playing a major role in this vital industry by offering a comprehensive and **competitive product range with regional availability and unrivalled technical and service support**.

# Our Guiding Principle

*One person working alone is limited in their endeavours. Many people working together have no limit to their achievements*

## Our Vision

*The Davis & Shirtliff Group aspires to become a world class organisation comparable in every way to the best international standards by demonstrating exceptional levels of corporate performance, professionalism and integrity and to demonstrate that an indigenous African organisation can compete at the highest level in it's selected fields of activity.*

## Our Values

- *Quality*
- *Integrity*
- *Altiora Peto*  
*(To seek higher things)*

**Davis and Shirtliff is an  
ISO Certified Company**

# WATER PUMPS

Davis & Shirliff is the **undisputed leader in the regional pump industry** offering the widest selection of water pumps in all sizes and for every imaginable application. The extensive portfolio of over 400 models available includes the market leading **Dayliff** range as well as pumps from leading world manufacturers including **Grundfos, Pedrollo, Davey** and a variety of specialist pumps for industrial, agricultural and commercial applications, all of which are offered from stock. Davis & Shirliff also offers unbeatable value and choice and justifiably claims that **'Nobody Knows More about Pumps!'**

# BOREHOLE SERVICE

Based on many years of experience, a particular Davis & Shirliff expertise is **Borehole equipment**. This includes the widest selection of quality pumps available from **Dayliff, Grundfos and Pedrollo** as well as a comprehensive range of accessories including low friction PVC piping, cables, control panels and fittings. Also available for both Borehole and other pumps is the innovative **i-Dayliff remote monitoring and control system** which gives incomparable pump efficiency and reliability. Full installation, repair and maintenance services are also offered to give the **'Best Borehole Solutions Available!'**

# SWIMMING POOLS

Davis & Shirliff's long-standing expertise and extensive range of **swimming pool equipment** is unsurpassed in the region. From the company's own-brand **Dayliff** range of quality fibreglass products and chemicals to internationally sourced pumps, fittings, lights and accessories, Davis & Shirliff truly does provide **'Everything for a Beautiful Pool!'**

# IRRIGATION

Irrigation is Davis & Shirliff's **newest business segment** and the equipment range is becoming increasingly popular. Equipment offered includes the renowned **Hunter** range of rotors, sprays and controllers for recreational and domestic applications, a wide range of sprinklers and accessories and complete solutions for all Drip requirements. Quality products together with a dedicated team of engineers ensures **'More Output with Less Water'**.

# WATER TREATMENT

Davis & Shirliff is a leading provider of **cost effective and reliable treatment solutions** for all water conditions. A wide range of equipment, chemicals and media is offered for the treatment of turbidity, salinity, hardness, trace elements and bacteria from domestic to community applications. Working with world-renowned suppliers including **Dow, Kurita and Genesis**, products available include the best-selling range of domestic cartridge filters, potable water plants, ultraviolet disinfection units, various media filters, softeners, Reverse Osmosis, Ultra and Nano Filtration plants and chemical dosers as well as specialist chemicals to provide **'The Water you Want from the Water you Have!'**

# GENERATORS

A **wide selection of generators** suitable for small domestic to large institutional applications as well as engines especially suitable for powering water pumps and other machines is offered. The generator range includes sizes from 1 to 1000kVA in various specifications including petrol and diesel power, high speed and low speed, open and canopied and manual and automatic. Generators are sourced from quality suppliers around the world with power provided by **Perkins, Lovol, Cummins, Foton and Kohler** and all offer exceptional value. All units are also fully supported with technical selection advice and service backup to provide **'Reliable and Effective Power Solutions!'**

# SOLAR SOLUTIONS

Now well established as **the leading regional solar industry player**, Davis & Shirliff offers a comprehensive range of renewable energy equipment for all common applications. Products are sourced from leading international manufacturers including **Yingli, SMA, Lorenz, Opti and Steca** with a number of own brand Dayliff items also offered including, PV modules, hot water heaters, lighting accessories, street lights, batteries, inverters and controllers and a particular specialty is both **AC and DC pumping systems**. This extensive product range makes Davis & Shirliff the natural choice for all solar powered systems from domestic to industrial sizes and really does provide **'Energy to Power your Life!'**
